

DISPLAY WINDOW SKETCH

THE DISPLAY WINDOW WILL HAVE 5 SHELVES (THE NUMBER OF SHELVES CAN PERSONALISED ACCORDING TO THE REQUIREMENT). UPPER 4 SHLVES WILL HAVE THE SAME HIEGHT DIFFERENCE AMONG THEMSELVES .THE HIEGHT DIFFERENCE BETWEEN LAST AND SECOND LAST SHELF IS ADVISED TO BE A BIT BIGGER THAN OTHERS, AS IT IS DESIGNED FOR BULGIER ITEMS .

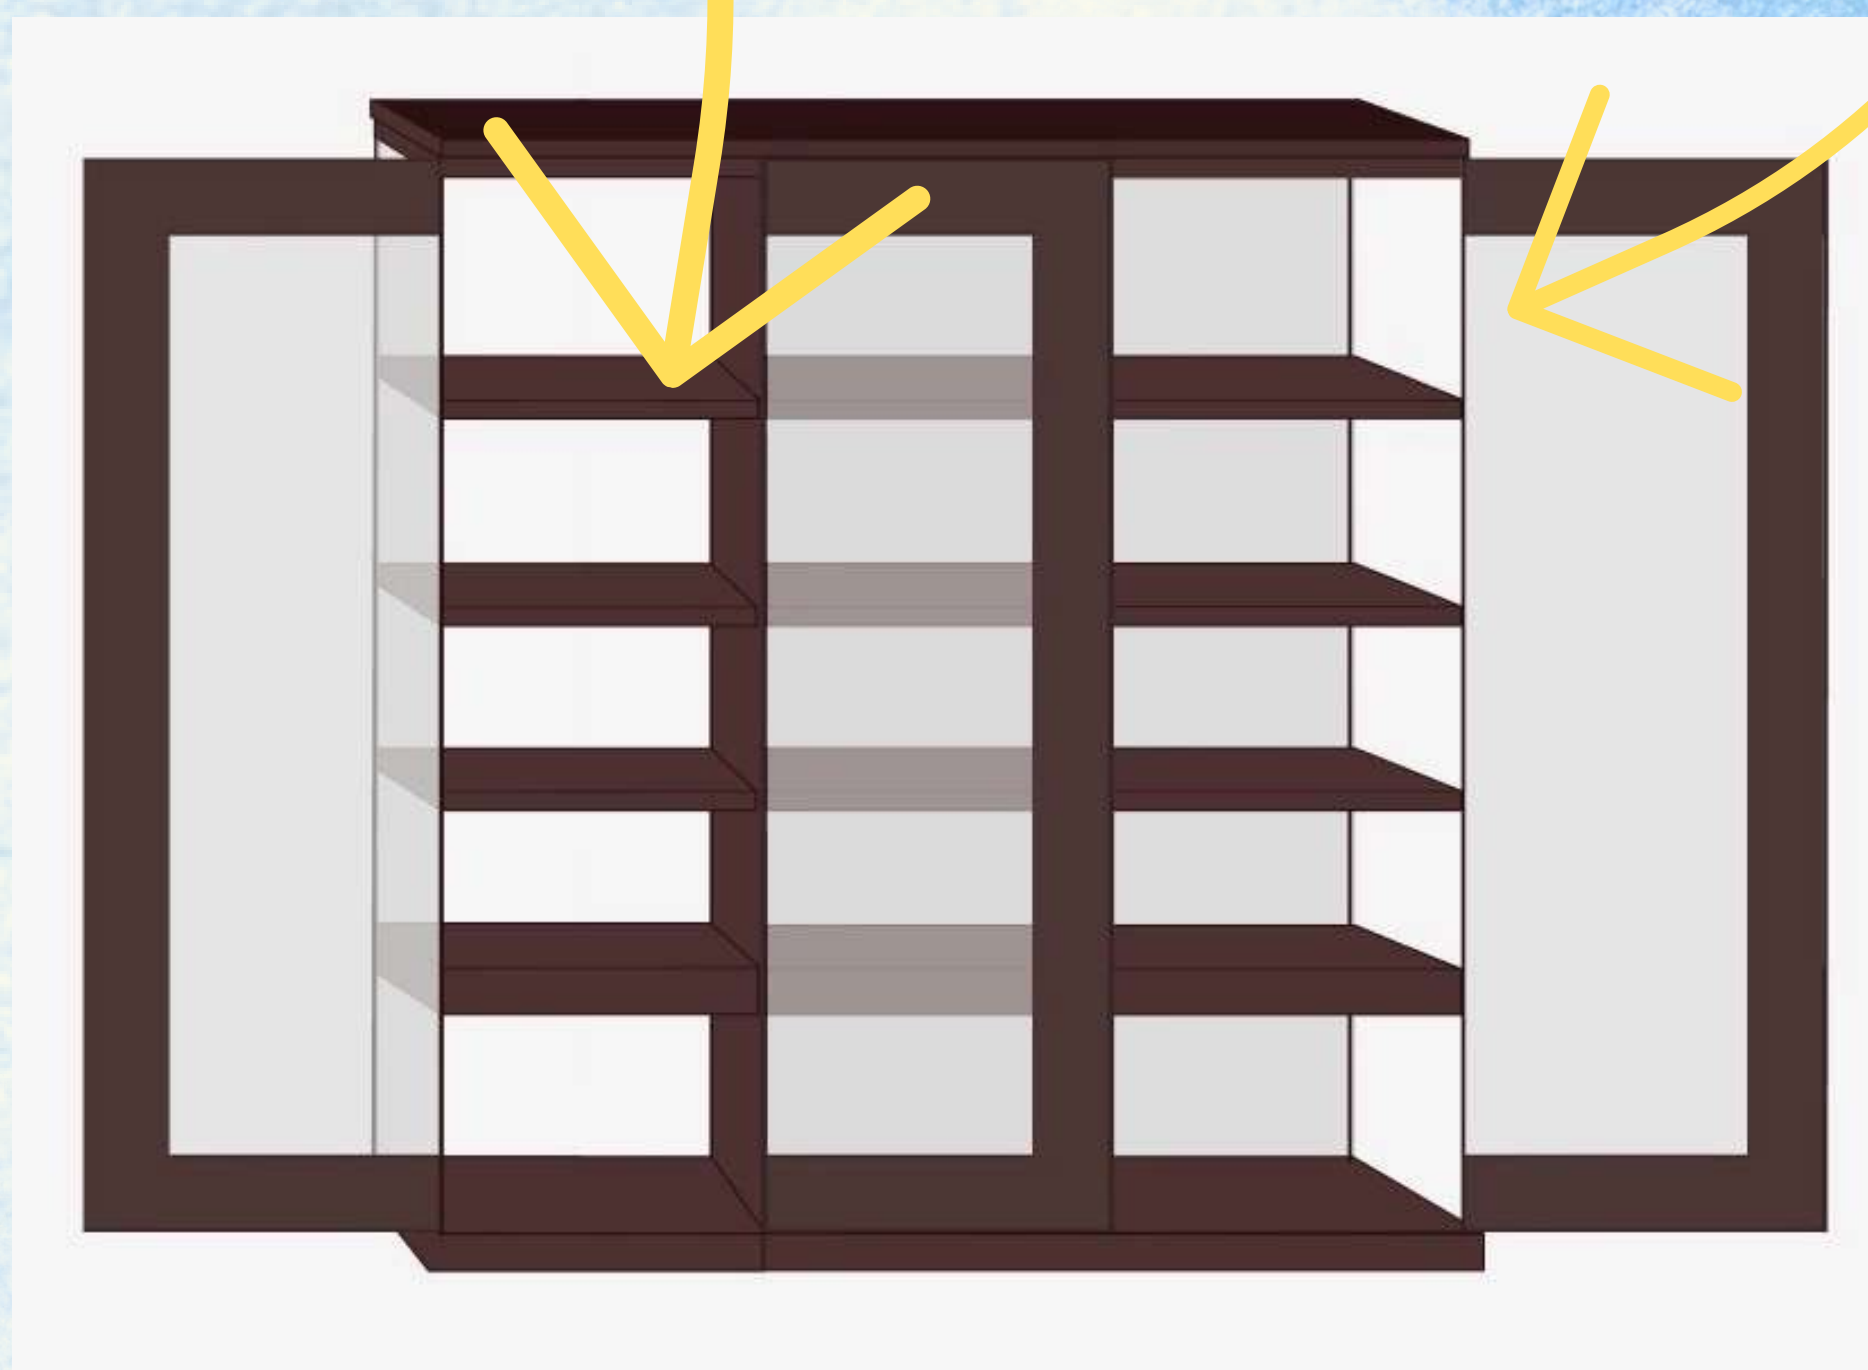

THE WINDOW WILL HAVE
3 COMPARTMENTS

IT IS RECOMENDED TO INSTALL PULL OUT SHELVES ALONG WITH SPERATE COMAPARTMENTS FOR ALL CERAMICWARE FOR UPPER SHELVES, MAKING IT EASIER TO TAKE OUT REQUIRED ITEMS KEPT IN EXTREME BACK WITHOUT HINDERING PLACE OF THE FRONT ITEMS .

PULL OUT DRAWER FOR CUPS AND MUGS

PULL OUT DRAWER FOR PLATES

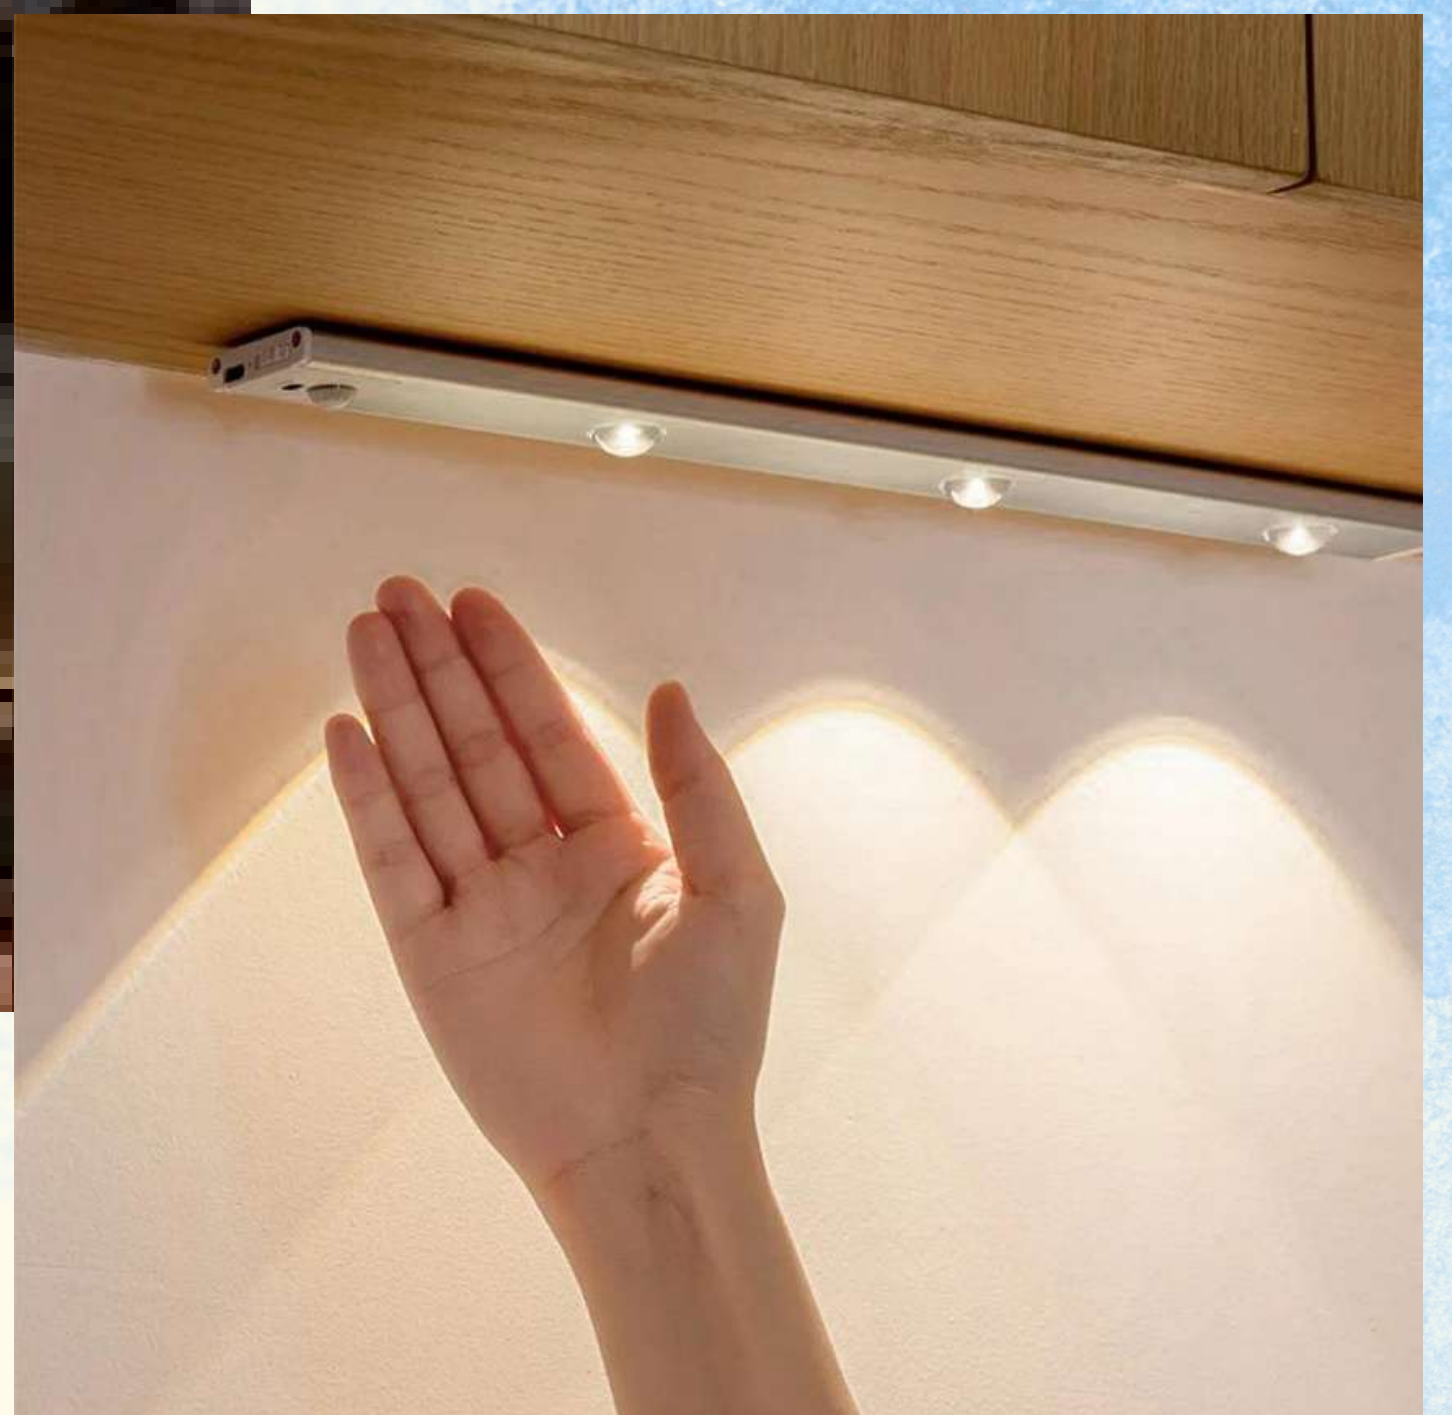

IT IS ADVISED TO USE STAINLESS STEEL
FOR THE PULL OUT SHELVES, WITH GOLDEN
FINISH TO COMPLIMENT THE DARK
WOODEN

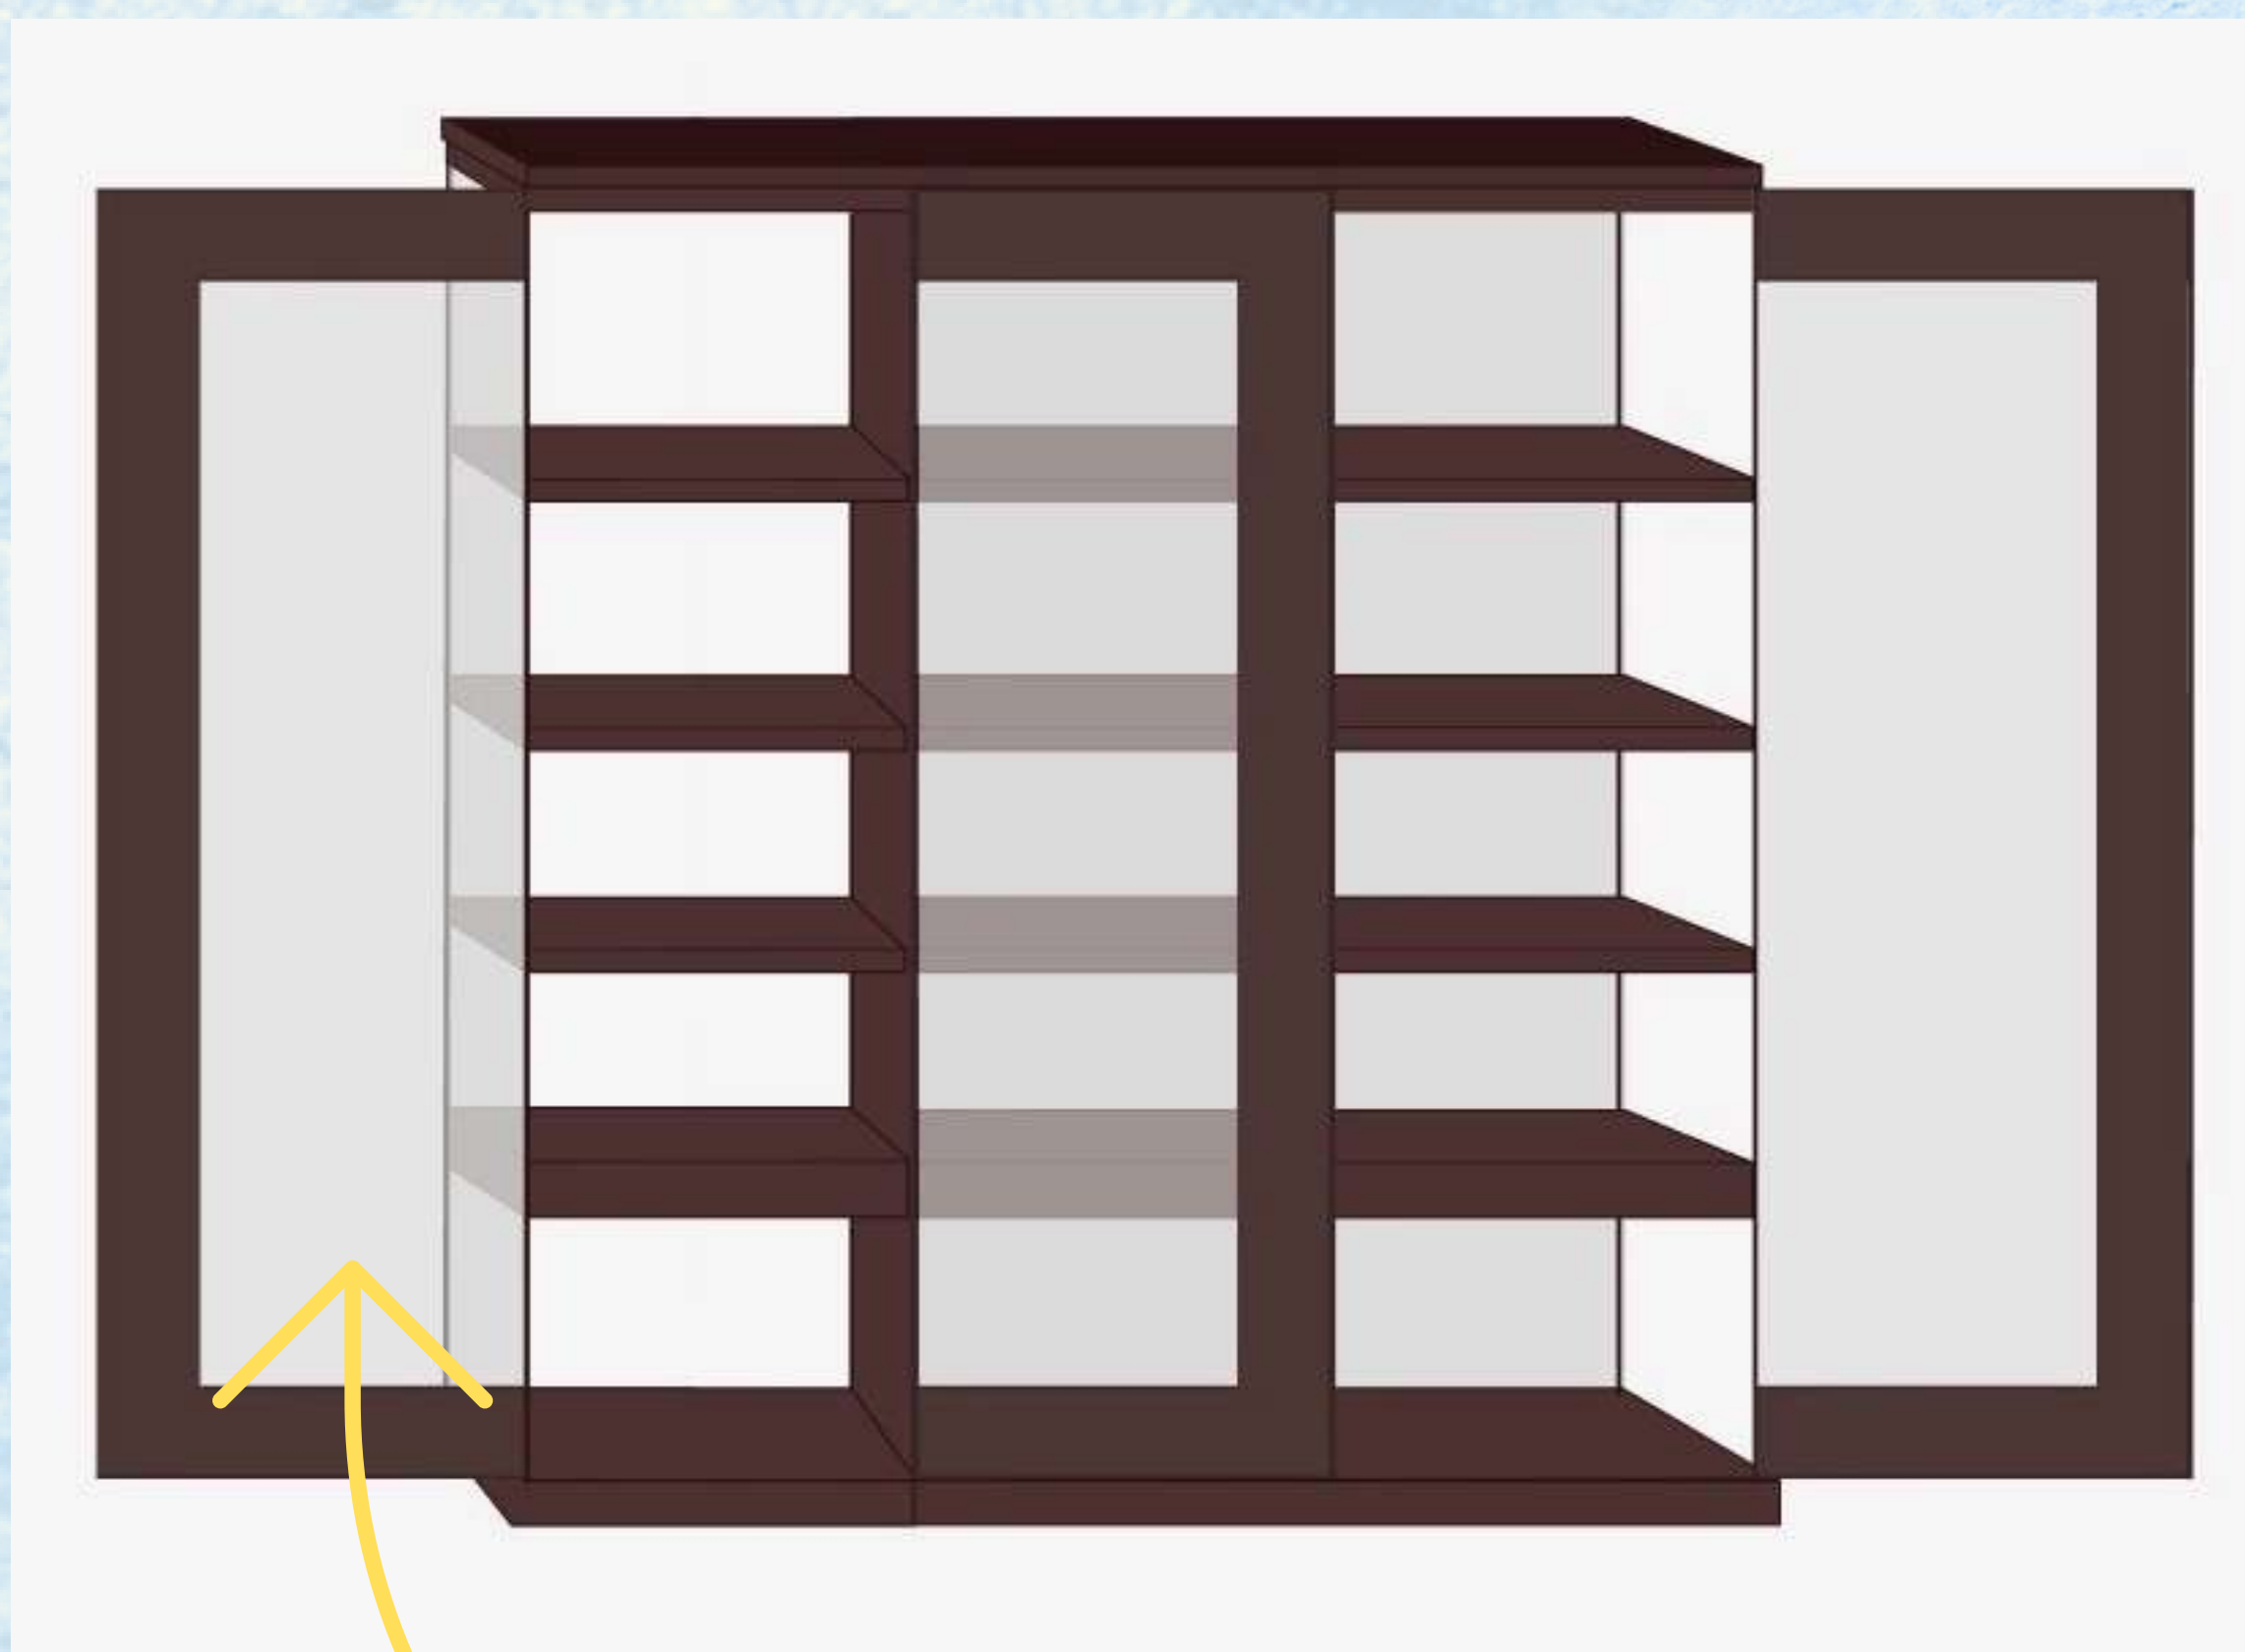

POLISH OF WOOD OR A DARK
BROWN FINISHING TO BLEND IN WITH
THE OVERALL LOOK

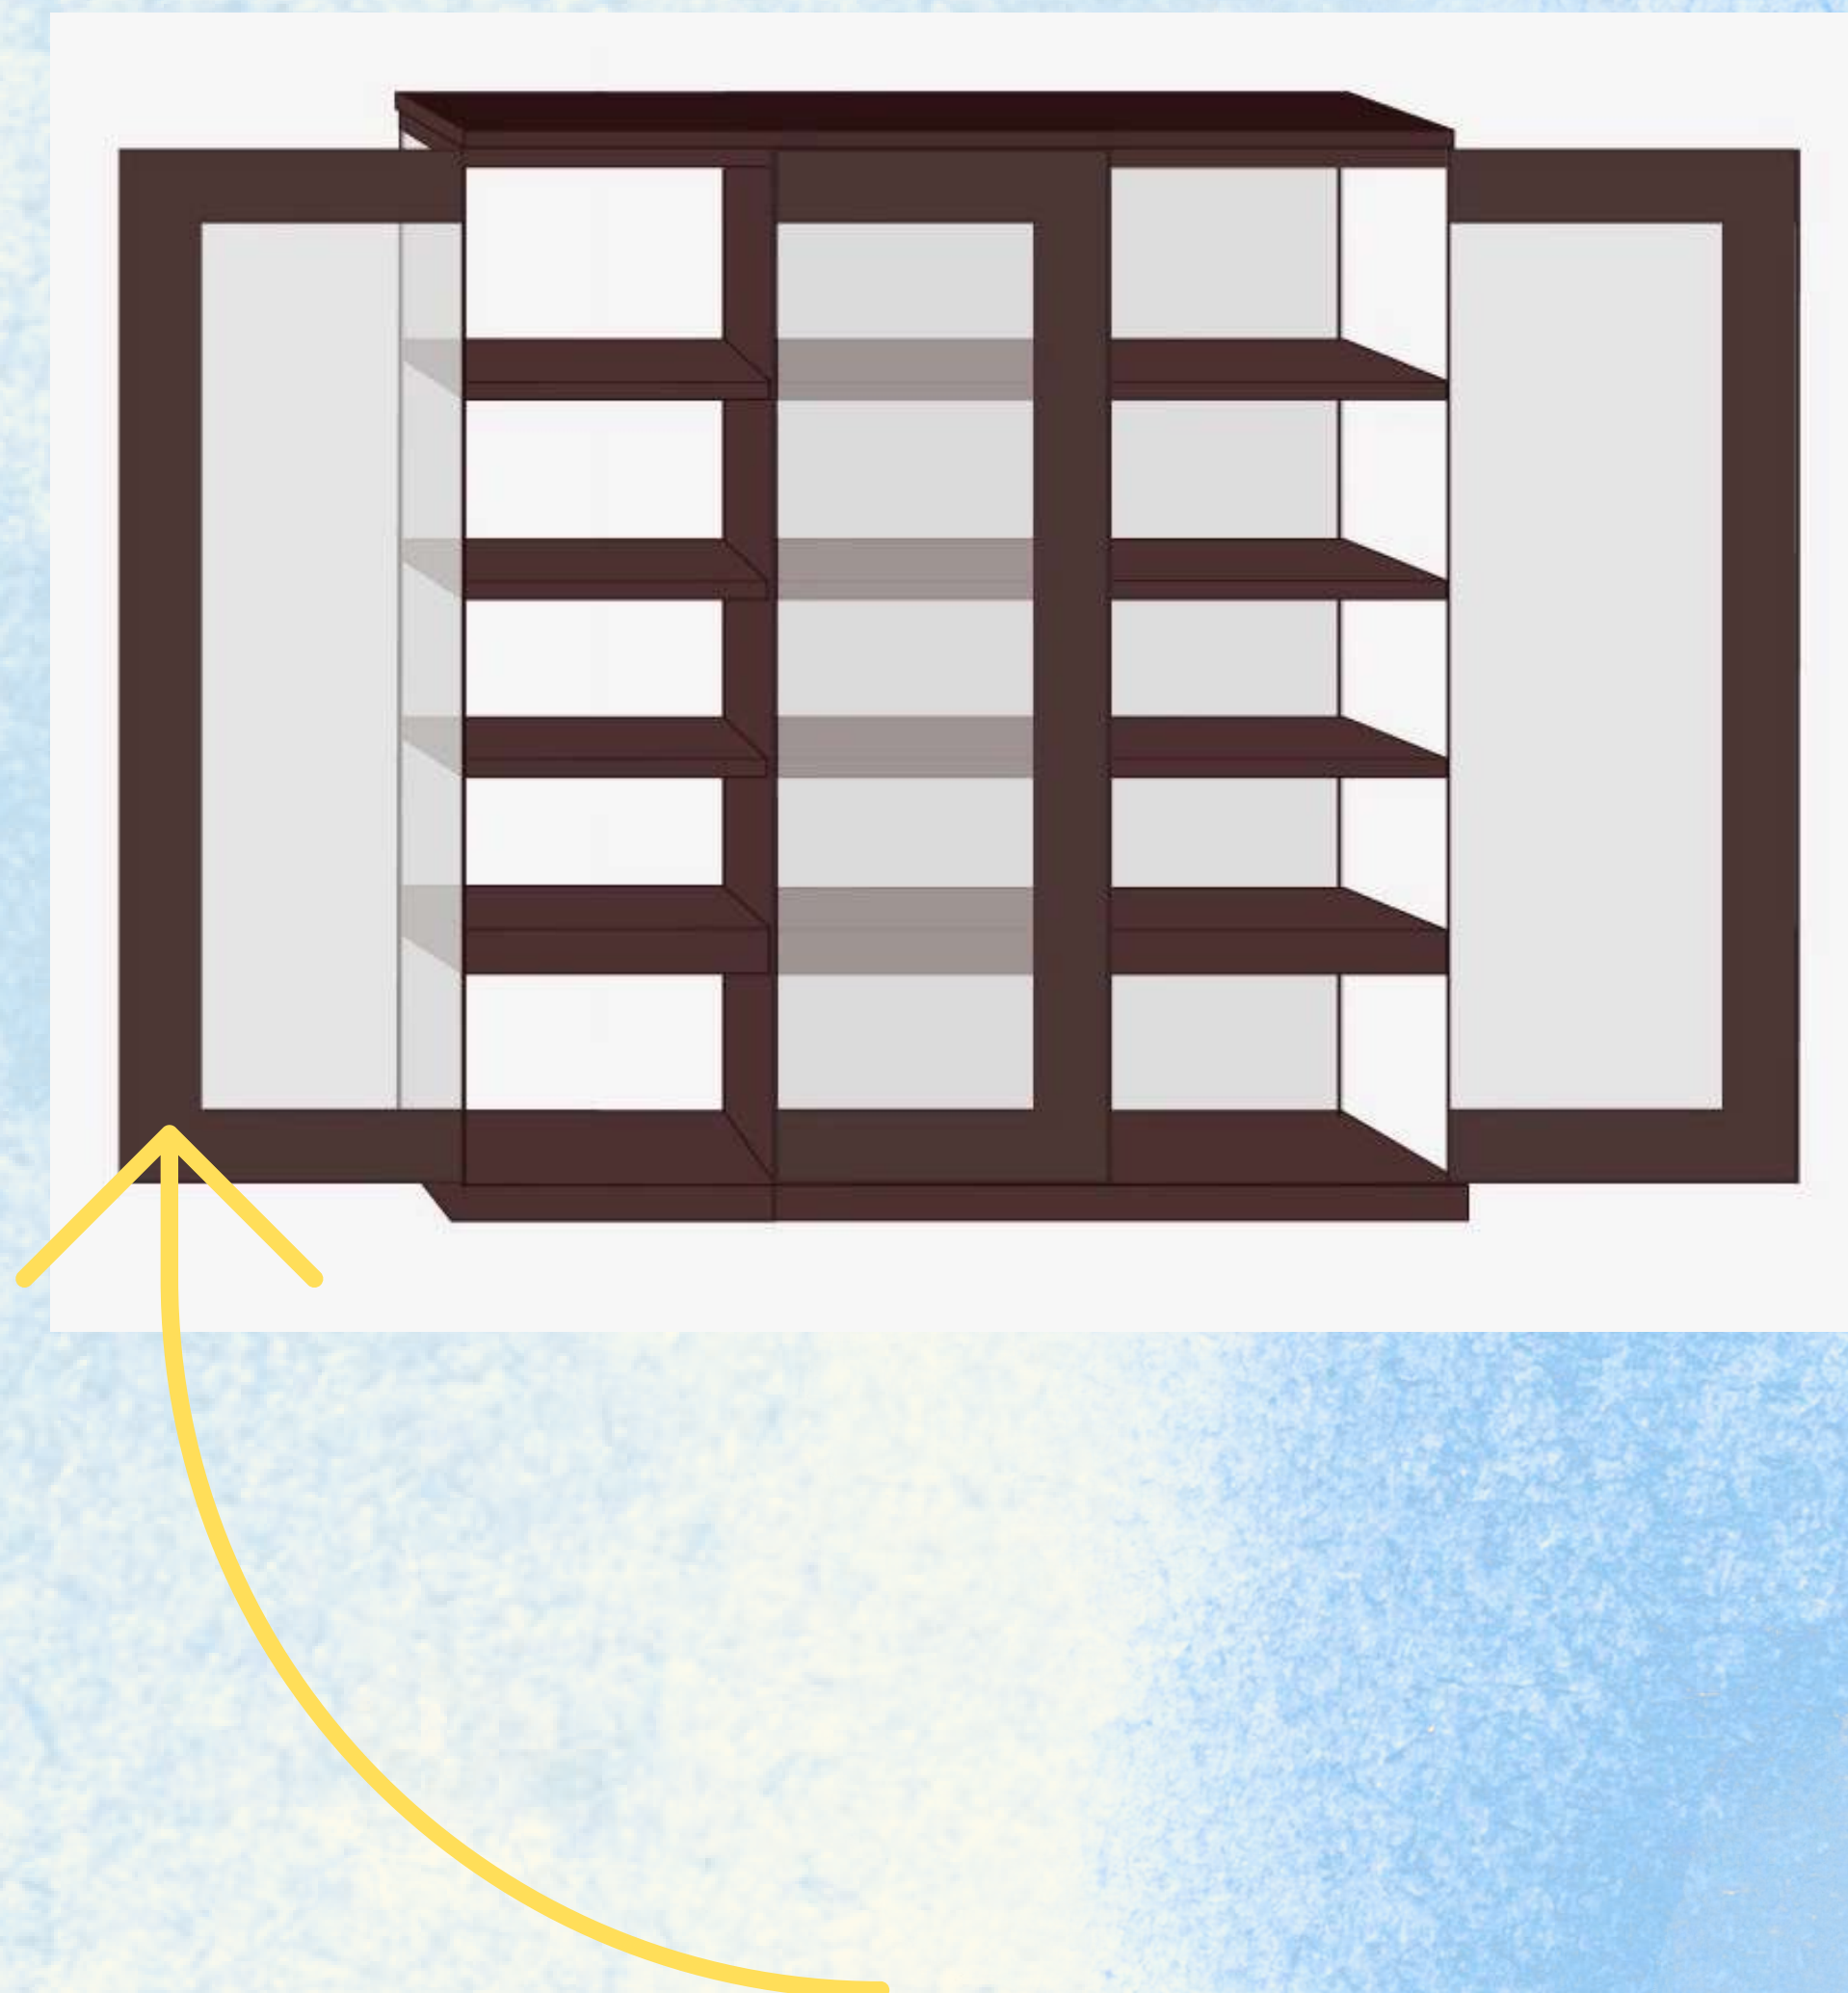

IT IS RECOMMENDED TO INSTALL
MOTION SENSORED LED LIGHT STRIPS
IN WARM WHITE SHADE WHICH
PRODUCE MINIMUM HEAT TO ENSURE
SAFETY OF FAMILY MEMBERS AND
CERAMIC WARE INSIDE THE
WINDOW, UNDER EVERY SHELF TO
COMPLIMENT THE WARM AND COZY
THEME OF THE HOUSE .THE MOTION
SENSOR WILL ENABLE EVERY MEMBER
TO CLEARLY SEE THE CERAMIC WARE
WITHOUT HAVING TO SWITCH THEM ON
EVERY SINGLE TIME

WE HAVE ADDED PUSH OPEN DOORS WHICH MAKE IT EASIER FOR EVERYONE TO OPEN DOORS WITH UTMOST EASE ,AS WELL THE DOORS WILL GIVE THE DISPLAY WINDOW A SEAMLESS LOOK

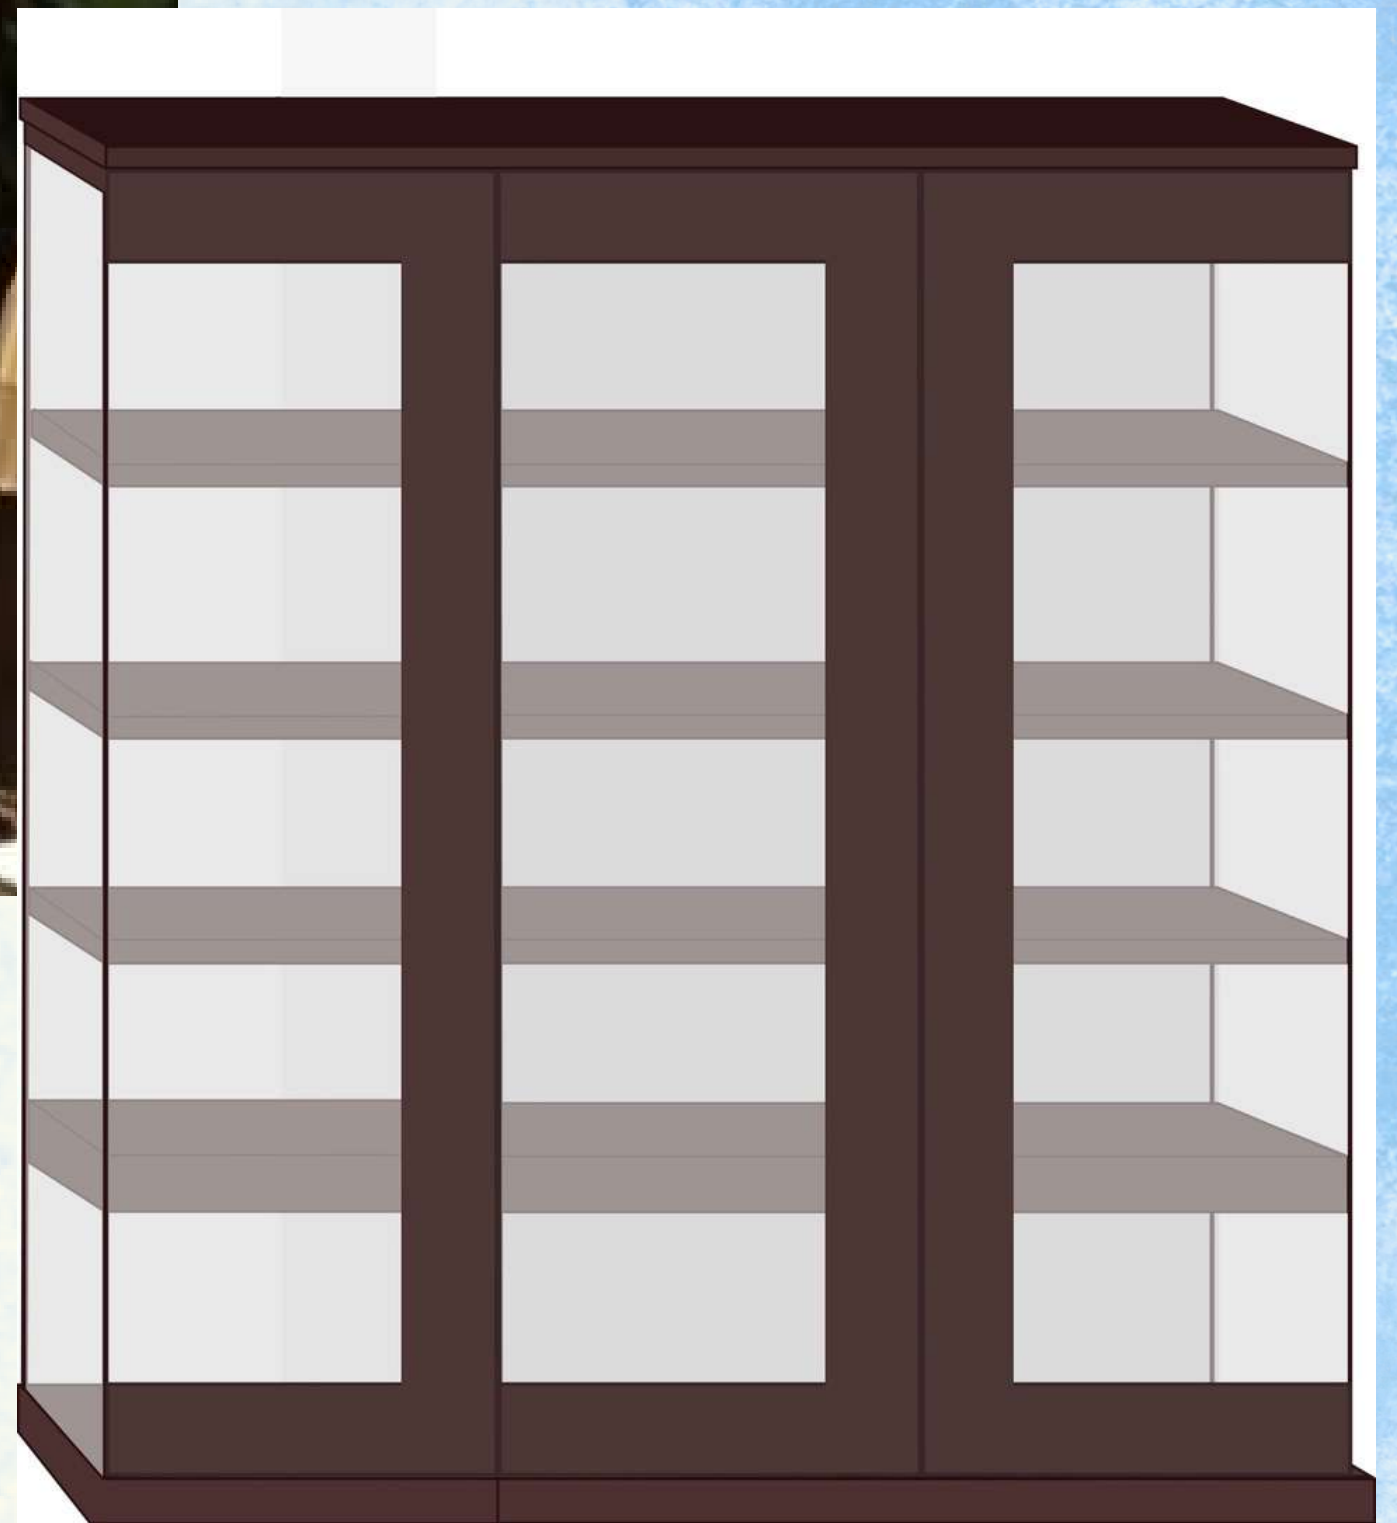

THE WINDOW WILL HAVE GLASS DOORS WITH WOODEN BORDER TO ENSURE MAXIMUM VISIBILITY OF THE ITEMS DISPLAYED INSIDE

THE BRACKET WILL BE INSTALLED ON
THE THE WOODEN BORDER OF THE
DISPLAY WINDOW TO ENSURE
SEAMLESS LOOK

FOR THE MATERIAL OF OVERALL DISPLAY WINDOW WE ADVISE TO USE EITHER TIMBER WOOD IN A DARK WOODEN POLISH WHICH ENSURES FEASIBILITY AND LONG OR PLYWOOD WITH A COAT OF DARK WOOD WHICH CAN BE CLEANED EASILY AND HAS ANTI STATIC CHARACTERISTICS

THIS IS AN EXAMPLE OF THE DISPLAY WINDOW WE WOULD LIKE TO DELIVER, APART FROM THE FACT THAT IT DOESN'T SHOW PULL OUT SHELVES WITH DIFFERENT COMPARTMENTS
